

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

One case of mumps has developed at Fort Ethan Allen.

The annual meeting of the G. A. R. department of Vermont, will be held in Burlington, April 22 and 23.

There was a reduction of Bennington's debt during last year of \$101,181. The amount of the debt is now \$6,185.22.

The women of the Eastern Star in Brattleboro have purchased a knitting machine, for making socks for the Red Cross.

At a meeting of Rutland aldermen recently, it was voted to purchase a motor truck for the street and water departments, at a cost not to exceed \$4,800.

The members of the First Congregational (Unitarian) church in Burlington have unanimously voted to ask Rev. Charles J. Staples to withdraw his resignation and to remain.

W. E. Pierce of Bellows Falls, who has been farming on quite a large scale, has found it necessary to sell 75 head of cows because he cannot get help to assist in the work.

Mrs. C. C. Barney, a teacher in the Brattleboro schools, slipped on the sidewalk and fell while on her way to school Monday morning, fracturing one leg just above the ankle.

The 71st annual meeting of the Vermont Methodist conference will be held with Grace Methodist church, St. Johnsbury, April 23-25, Bishop Edward H. Hughes, D. D. LL. D., presiding.

Miles Teachout has been absent from his home in St. Albans since March 9, and no word has been received from him since. The family has offered a reward for knowledge of his whereabouts.

Rev. Dr. Russell L. Dow, pastor of the M. E. church at Bennington, has been appointed temporary superintendent of the Burlington district, to fill out the term of Rev. B. M. Kent, deceased.

George N. Pitts, a veteran of the Civil war, died in Rutland March 18 after a long illness. He served in Co. B, 14th Vermont Volunteers. For 25 years he was a resident of North Clarendon.

William C. Horton, who is quite an authority on birds, reports that the first bluebird to be seen in Brattleboro this spring appeared March 17. The earliest date on which he ever saw one in that vicinity was March 4, 1903.

Rev. Paul E. Moyer, the pulpit supply at the Sharon Congregational church for the past year, has been given a call to become its permanent pastor. The call was accepted by Mr. Moyer, under certain conditions, which will be met.

Arthur G. Levy, son of Joseph Levy of Rutland, has been commissioned a first lieutenant in the 22d United States infantry, having been transferred from Fort Leavenworth to New York, where he is at present in command of a company which is guarding the enemy alien zone of that city.

G. Maurice Ingalls, for ten years teacher of wood carving and furniture design, construction and decoration at the Providence, R. I. technical school, has succeeded Frank Clark as teacher of that department at St. Johnsbury academy. Mr. Clark resigned to accept a position in Newark, N. J.

Samuel Dowling, a prominent Vermont Mason, and for nearly all of his life a resident of Rutland, where he was employed by various manufacturing plants as a woodworker, died March 18 at the home of his daughter in Rotterdam, N. Y., aged 75 years. He was a survivor of the Second Vermont cavalry and he spent four months in a rebel prison.

The dead body of a newly born male child was found in a pasteboard box on the highway about two miles from Springfield Sunday afternoon by Art J. Fairbanks. Mr. Fairbanks had seen the box by the roadside every day for a week, but had not investigated until Sunday. An investigation will be made.

The family of Merrill Underwood are left in Rutland without funds and brought into a peculiar condition. Mr. Underwood, a Canadian, had lived in Rutland for nine years, but had never been naturalized and thus never voted. Recently he was called to the bar by the sickness of a relative and while there was drafted. The family is without funds and the husband is detained in Canada.

The engagement is announced of Miss Phyllis H. Lang, daughter of Mr. and Mrs. Percy Lang of Waverly, N. Y., to Stanley C. Pitts, son of the late Attorney General Clark C. Pitts of Brattleboro. Mr. Pitts has been in France and just now is with the food administration in Washington while awaiting an appointment in the aviation service.

RUTLAND SOLDIER DEAD.

Grant Hill Cutler Died of Pneumonia While in France.

Grant Hill Cutler, son of Mr. and Mrs. W. O. Cutler of Rutland, has died of pneumonia in France, being the first Rutland young man to give his life in the country's service while on French soil. His wife, who was formerly Miss Irene E. Moody and who is now living in Rutland, received a telegram at 3:30 o'clock Monday afternoon from the war department, announcing the death.

The young man went from Rutland to Camp Devens, Ayer, Mass., on Nov. 22, being in charge of a group of conscripts from this district. He trained at the Massachusetts camp and within a few days his relatives received official news that he had arrived in Europe. He sailed from this country on Feb. 26 and the last letter he wrote from him was one posted on that day. The telegram to Mrs. Cutler stated that death occurred on March 14.

Grant Cutler was born in St. Albans Nov. 13, 1890, and was educated in the public schools and in a business college. He was employed for a time by the American Express company in Rutland, and later went to work for the General Electric company at Schenectady, N. Y., remaining with this concern until the time of the draft.

His marriage to Miss Davis took place on July 28, 1917, there being a double wedding and his sister, Mrs. Susan M. Cutler, becoming the bride of Lieut. Wayne Davis. The deceased was a mem-

Bumper Spring Crops

ber of Center lodge, F. and A. M., and was affiliated with the Episcopal church in Rutland.

He leaves besides his parents and his wife, three sisters, Miss Charlotte M. Cutler and Miss Edith M. Cutler of Rutland, and Mrs. Wayne Davis, now of Phoenix, N. J., and two brothers, Raymond B. Cutler and Gordon W. Cutler, both of Rutland.

KEEP COAL CARS MOVING.

It Is Necessary If New England Is to Get Adequate Supply.

New England Fuel Administrator James J. Storrow has sent out a letter urging the constant moving of coal cars in order to insure an adequate coal supply for New England for the next winter. He writes as follows:

"There is great difficulty in moving coal into New England owing to lack of coal cars and water tonnage. If our very limited supply of cars and barges cannot take all the coal that is offered to New England neither the mines nor the originating railroads can be expected to hold the coal for us, but it will move to other points and New England will lose coal that cannot possibly be made up during the winter months.

"It is vital and imperative, both to secure the coal and to combat the present excessive and extremely burdensome price, that every one of the limited number of coal cars available for New England service should be kept rolling to and from the mines, and that stoppages for loading or unloading should be reduced to the minimum.

"May we ask for your hearty and patriotic co-operation with the national committee and the New England committee in their efforts to improve New England's coal conditions?

"Our chart shows that you have recently received one coal car which it has taken three days to unload. We know that there are unusual difficulties in quick unloading at the present time and yet we must overcome these difficulties if we are to hope for substantial relief.

"We are asking all the consignees to unload their cars between sunrise and sunset and to promptly notify the railroad that they have done so.

"We would be glad to hear from you that we can count upon your help. May we also ask you to advise us promptly by wire or letter in case the railroad does not promptly move your cars when unloaded."

VT. SCHOOL CHILDREN INVEST.

There Is a Big Rush to Buy Thrift Stamps.

When the whole story of the U. S. thrift and war savings stamp campaign in Vermont is told, it will be found that the school children of the Green mountain state played an important part in the success of the effort. It is probable that there is scarcely a school in Vermont in which the children are not interested to the extent of purchasing thrift stamps.

As yet there is nothing by which it can be determined just how many Vermont children are the purchasers of the stamps, but reports already received tell of school rooms in which each and every one of the pupils is the holder of one or more thrift stamps. Moreover, many other schools are reporting their near approach to the 100 per cent enlistment in this patriotic cause.

Every child in Vermont who cherishes the Stars and Stripes and who wants to do everything possible to help this country to win the war should work unceasingly to increase the sale of thrift stamps in his school. After filling out one thrift card, don't stop there, but start another and then another. Keep persistently at it. Let it be said that the school children of Vermont did their part toward winning the war.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that enlivening of spirit that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

RUTLAND MAN A MAJOR.

Clyde A. Selleck Is a Graduate of West Point.

Rutland, March 20.—Clyde A. Selleck, son of Mrs. Jennie A. Selleck of this city, who has been in the service of the United States army since he graduated from West Point, N. Y., military academy in 1910, has been promoted from the ranks of captain to that of major. He is the third Rutland man to be raised to this office since the present war began. Dr. W. W. Townsend and Dr. William Stickney being majors in the medical corps.

Major Selleck has served the country in various capacities and has made several trips to Honolulu during his military career. He is at present with the 20th artillery and is at Fort McArthur, Waco, Tex.

In addition to his several years' service in the Hawaiian islands, he attended a school of fire at Fort Sill, Okla., and was at one time an instructor in chemistry at West Point academy. When he received news of his promotion a few days ago he was back again at Fort Sill in the artillery service, going from there to Waco.

NO HOT CROSS BUNS.

They Are Put Under the Ban By the Government.

St. Albans, March 20.—The ordinary hot cross bun, popular during the Easter season, is under the ban of the federal food administration, according to a telegram received from Washington by Acting Federal Food Administrator John T. Cushing, who, in a statement issued from his office today, directed the attention of the bakers of Vermont to the fact that hot cross buns belong in class one of the baking regulations which allow no icing and limit other ingredients.

French Gratitude.

Paris, March 20.—The French press is unanimous in expressions of gratitude and praise for the admirable work performed by the American Red Cross on Friday following the explosions at La Courneuve. Twenty-four bodies have been recovered. It is not expected that the number of dead will reach 30, as was officially announced.

If Mothers Only Knew

how often children suffer from worms, they would take care and guard against this common ailment of childhood.

Signs of worms are: Deteriorated stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional griping and pains about the navel, pale face of lenden tint, eye heavy and dull, twitching eyelids, itching of the nose, little red spots sticking out on tongue, starting during sleep, slow fever.

Over 60 years ago Dr. True discovered the formula of Dr. True's Ellixir, the Family Laxative and Worm Expeller. Since then have been writing us letters like this: "My little granddaughter has pinworms and I have tried everything but Dr. True's Ellixir and it has done her good. After taking part of a bottle of Dr. True's Ellixir it has done her good. My daughter Philipp, Houston, Texas. This remedy has a worldwide reputation as the one safe and reliable remedy for worms and stomach disorders for both young and old. At dealers', 40c, 60c, and \$1.00. Write us.

Dr. J. F. True & Co., Auburn, Maine.
